Family Safety Network

Open Hearts Open Minds Open Arms

Family Safety Network (FSN) is deeply grateful to be a part of the communities in Cass, Hubbard, and Clearwater Counties. As we reflect on the challenges we have faced together over the past few years, we are reminded that no matter what divides us, we are all connected by our shared commitment to support and uplift each other. Through these connections, we have witnessed how the strength of the community can bring hope and healing during challenging times.

FSN, a 501(c)(3) non-profit organization, provides vital advocacy and support services to victims of domestic violence and their families. This year, we are excited to host our 5th Annual "Share the Love" Gift Card Drive once again. After the incredible success of last year's event, we are thrilled to bring this opportunity back to you in 2025. Why a gift card drive? Because it meets a wide range of immediate needs for our clients, all while supporting our local small businesses in Cass, Hubbard, and Clearwater Counties. It is an event that truly benefits more than one cause.

When individuals and families come to us, often in the most vulnerable and life-changing situations, many have nothing but the clothes on their backs. They may have children to care for, mouths to feed, and the overwhelming task of rebuilding their lives. At FSN, we are there to provide not only safety and shelter but also the necessities—food, gas, clothing, and in many cases, short-term lodging to keep them safe from harm. By using gift cards to local grocery stores, gas stations, restaurants, and clothing retailers, we can ensure that these families have the resources they need and that the support stays within our community.

The beauty of this drive is in its simplicity: it allows us to directly meet the needs of those we serve while empowering our local businesses. Your generosity will provide immediate relief and comfort to families in crisis while making a lasting impact on our region's economy. We are incredibly thankful for the support of our communities in Cass, Hubbard, and Clearwater Counties. Your kindness and compassion have allowed us to continue our work, and we want to extend that same support to our local businesses. They are the backbone of our communities, and we are proud to stand with them in this effort.

If you feel called to help, there are many ways you can get involved. You can share this message with your congregation, post it in your community bulletin, or host a gift card drop box at your church or civic organization. Many find it convenient to accept gift card donations during tithing or meeting times, but whatever method works best for you, we are grateful for your participation.
